Dear Friends,

As governor of Michigan, it gives me great pleasure to join with you in celebrating First Unitarian Universalist Congregation of Ann Arbor's 150th year of service to the Ann Arbor community.

In your 150 years of service, you have made a lasting impact in the lives of those living in your community and in the great state of Michigan. Your church has demonstrated tremendous success in supporting the people in the immediate and greater Ann Arbor area. Without question, numerous families, individuals and organizations have benefitted from your presence in the community.

It is not every day that a church celebrates such a milestone, and you, your staff, members, and affiliates should be proud of this achievement. As your church continues to grow and serve the citizens of the Ann Arbor area, I hope you will take time to reflect and take pride in your accomplishments.

Once again, congratulations on this momentous anniversary. I extend my best wishes to the First Unitarian Universalist Congregation of Ann Arbor in the years to come.

Sincerely,

Rick Snyder
Governor
