Multicultural Outreach UAAA Fall 2019

Feedback: Camille Wilson UAAA attendee, BLUU Worship attendee

After attending the past two BLUU services, I now anticipate the service will become a monthly highlight for me that I look forward to. Even my teenage son asked if we can go again. The camaraderie, moving messages, music, laughter, and deep reflections that are part of joining in a group to view the service is so uplifting! Before attending, I hadn't realized the online viewing would also have friendly, interactive elements. It has been a treat, and I'm grateful that UAAA has offered the opportunity for us to gather and share in the BLUU experience together.
