What to Know:

- Lunch will be provided by a partner church. Water will also be available.
- Port-a-jons will also be available
- Tools, gloves and equipment will be provided. You are welcome to bring your own gloves or tools, but are responsible for anything you bring.

Projects:

It is difficult to predict exactly how renovations will proceed each week, so projects vary. Whatever the projects may be, the Habitat house leader will ensure there are a variety of tasks by all individuals with a wide variety of skill levels and physical abilities.

Safety & Age Restrictions:

Our construction sites have the highest standard of safety and we will provide safety glasses, gloves and a hard hat. We also ask that you do not use an iPod/Blue Tooth.

Due to safety regulations, individuals under the age of 16 are not permitted on site.
