

Operations Policy

Klein Fund

The Klein Fund honors the memory of Robert and Ruth Klein, who were dedicated members of UUAA. It was established through generous contributions by friends of Robert, Ruth, and their children, Fred and Andrew.

The fund exists to support programs, lectures, talks, and Sunday service presentations that support spiritual growth and development in service to building a world of greater inner and outer peace, deeper mutual understanding, bridge-building across difference, and interpersonal harmony. The fund, including programmatic and operational uses of it, is administered by the Senior Minister or their designee.

Recognizing that this fund requires occasional replenishment, periodic fundraising in support of the Klein Fund, and its mission and purposes, will occur in consultation and coordination with other UUAA fundraising efforts.

The Klein Fund is subject to audit, alongside any and all UUAA-administered funds.

These policies are subject to change without notice. Changes in policy must be approved by the Senior Minister or their designee.
